

## Texas Pepper Works™ Candy-Krisp Jalapeño Ham & Cheese Wheel

- 10 slices of Candy-Krisp Jalapeños (chopped)
- 1/2 cup pecans
- 1/4 red bell pepper
- 1 tbsp chopped onions
- 4 sprigs of parsley tops (chopped)
- 8 oz. cream cheese, softened
- 6 slices ham (or more)
- Salt, pepper, celery salt, Creole seasoning to taste

Create a large rectangle with the ham by overlapping the edges. Spread softened cream cheese over entire surface of ham. Evenly sprinkle remaining ingredients over cream cheese. Carefully roll ham into a log roll (as in a jelly roll). Chill the log for two hours. Slice the roll in 1/4 inch wheels. Serve on round crackers.
